Changing trains

Most journeys shown on this timetable are by through trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these services, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains - please check the 'Notes' section above for an explanation of these letters.

Please allow plenty of time to make your connection. At most stations you will need to allow at least 5 minutes to change trains. Some stations have a different minimum time and this is shown against the station name in the timetable, for example **10** means you should allow at least 10 minutes to change trains at this station.
